Agreement with **TEXAS ROADHOUSE**

The month of November **TEXAS ROADHOUSE** will take donations for our **VFW Post 2391**. The first week of December the Commander will receive "X" number of \$25 gift cards for **TEXAS ROADHOUSE** with the VFW logo on them. He would like to give these out in conjunction with the volunteer program.

Also, the **TEXAS ROADHOUSE** will have a monthly 'Dine-to-Donate' fundraiser ~~July 14, August 11, September 9,~~ **October 7** & November 10.

A flyer has been created by **TEXAS ROADHOUSE** with a bar code and our logo and mission statement. The flyer must be brought in on the dates above. The customer can have the bar code scanned on the flyer and then 10% of the cost of the meal will be donated to our post. We will receive a money order from **TEXAS ROADHOUSE** a week after the event.

The great news is that it costs us nothing and we have some possible financial gain from it.

WE NEED YOUR ASSISTANCE !

The **FIRST CITY HONOR GUARD** is in the process of collecting **USED AMERICAN FLAGS** from each of the 50 states and the District of Columbia for a very special flag retirement ceremony next year as a part of our 250th American Birthday Celebration.

We have collected a few and have some members working with family and friends to get us more.

There is a list on the Bulletin Board by the back door to keep track of what we have, what we are working on, and what we need.

Show Me the Money Card Game by Post 2391

1-4 PM Sundays

The game is open to those 18 years and older. Post membership is not required to play but you must be a member to purchase alcohol.

How does it work?

Show Me the Money is a bingo-type game using playing cards instead of standard bingo cards. Groups of three random playing cards are stapled together to be used in the game.

Players purchase one set of cards for \$1. Players may purchase more than one set of cards. Once all players have purchased the desired number of sets of cards, the game will begin.

20% of the collected funds are donated to the post.

The caller will shuffle a full deck of cards and the dealer will ask those playing if anyone wishes to cut the deck, the dealer will begin calling the cards in their shuffle order beginning with the top card. When a player has all three cards in a stapled group, covered they will call "SHOW ME THE MONEY". The winning cards will be verified and the winner will receive the money collected for that game, less the 20% donated to the post.

When the game is completed the sets of cards will be collected by the caller. The resale will be made for the next game.
